

8 x 8 Engraver Order Form

There are 400 8x8 pavers with bronze engraving plates available to honor living and deceased veterans of all services and dates of service.

Memorials may be as simple as the veteran's name, branch of service, rank or title and dates of service - to adding a military service emblem or service-related details. Each line has a maximum character count; text, symbols and spaces count as one character. All engraving is in upper-case.

An emblem, logo or graphic image is allowed and when used will be centered left-to-right replacing at least three lines of text in the top, middle or bottom 3-line section of the plate. It may be enlarged by replacing additional lines of text. Click [HERE \(/photoGalleries/index/8x8-paver-emblem-catalog\)](#) to view our online emblem catalog. (Use your browser controls to come back to this page.) Type the name/number of the emblem you would like to use in the box provided in the form below, **OR** use the file upload feature to submit a military service related emblem, logo or graphic from your computer for review. All uploaded files and inscriptions will be checked by the paver project coordinator and engraver operator prior to final approval.
